INVERNESS TEMPORARY TRAFFIC RESTRICTIONS

The organisers of the Baxters Loch Ness Marathon & Festival of Running would like to make you aware of the following temporary traffic restrictions around Inverness and south-side Loch Ness on Sunday 6 October 2019.

LOCH NESS TEMPORARY TRAFFIC RESTRICTIONS

Sunday 6 October 2019

The Baxters Loch Ness Marathon & Festival of Running, featuring the River Ness 10K and 5K, will attract over 9000 runners from across the UK and overseas, bringing a significant boost to Inverness and the Loch Ness area.

The organisers would like to thank all the local communities, residents and businesses along the route for their support and patience.

In addition, thousands of pounds will be raised by runners for our official charities including Alzheimer Scotland, Highland Hospice and Macmillan Cancer Support.

The organisers have kept road closures to a minimum to ensure the safety of participants and other road users.

Roads will be closed in both directions to create a safe, traffic-free environment for the event.

Roads will be reopened at these times or as soon as it is safe to do so, which may be earlier.

If you or someone you know has an essential journey to make, please let us know and we will work with you to find a solution wherever possible.
